We will take an in depth look at one single flourish in one word and we will try and copy it with either pencil or a pen, then we will give it a try in ink.

Honorable Membership Award by Donna Sabolovic

Shown above: Terry Porter & Donna Sabolovic

Saturday, April 12, 2008 *Terry Porter* was presented with the Honorable Membership Award. This Award is presented to a member who "has rendered notable service to the Society".

Terry more than fits that qualification. She is one of the founding members and has continued for nearly 30 years to be a productive force in this Society.

Terry always welcomes new members and guests, making them feel at home and encouraging their participation. Her bright smile and entertaining stories endears everyone to have a good time.

I remember when I was the exhibit chairman years ago; Terry was always there to help with hanging the shows, organizing the receptions and presenting her incredible artwork. You see her at every function that Kaligrafos sponsors working tirelessly.

All organizations need worker bees and Terry is surely the Queen.

Texas & Neighbors Regional Art Exhibit

Betty Barna received Honorable Mention for her piece titled *Time On Task* at the 23rd Texas & Neighbors Regional Art Exhibit. The exhibit is open through May 24th. Please go visit!

The winning entries were adorned with a spectacular floral arrangement courtesy of The Chocolate Rose located in Irving, TX.
